

HELP OUR YOUTH OF TOMORROW BY CONTRIBUTING TODAY

We hope you will consider investing in Trails to help our kids succeed, lead by example and pay it forward, so that they, as well as those they inspire, will have a chance at a successful and meaningful future.

With the support of our donors, our programme is subsidized, minimizing the cost to our participants. We only ask participants to contribute \$100 per year.

Your gift provides participants with:

- Year-round mentorship
- Over 100 home-cooked meals
- 30+ days of leadership retreats, field trips and camping trips
- Educational support to obtain 3 secondary school credits
- A "home away from home" in our cabins
- Training in First Aid, CPR and Nonviolent Communication
- Access to our bursary programme
- 40 hours of community service
- Access to our financial support fund (additional clothing, private therapy)
- Paid intern positions

We hope you will agree that this is a very valuable investment for creating the leaders of tomorrow. Your gift will significantly contribute to the overall programme and impact the lives of many youth.
