**Dismissal from Drop-off**

Dear Parent/Guardian,  
Please choose **one** of the following options for your child's dismissal at the end of a Trails session:

**Option 1**

I give permission for my child to be dismissed at the Trails drop-off location and make their own way home either by walking, TTC, or other means. Parents who give their child(ren) permission to travel home from the drop-off location are fully responsible for the supervision and safety of their child(ren) immediately after they are dropped off at the drop-off location.
